

# CLAREMONT HIGH SCHOOL ACADEMY

9<sup>th</sup> June 2017

Dear Parent/Carer,

We are writing to you about an exciting activity we have planned for Year 10 on Deep Learning Day on Monday the 19<sup>th</sup> of June.

All of year 10 will have the opportunity to build their own virtual reality headsets using Google Cardboard.

What students need to do:

In order to be ready for Google Cardboard, students should download the following FREE apps to their smart-phones from the Play Store (Android phones) or App Store / iTunes (Apple phones). They will also need to make sure that their phone is fully charged on the day.

App Name
Cardboard
YouTube
Cardboard Camera
InCell VR
InMind VR
AnatomYou VR
Gravity Pull VR
Solar System VR

Once they have made and experimented with their Google Cardboard sets they will have the option to take them home if they pay £2 to cover the cost of the lenses that are needed.

We hope that the students will enjoy this cutting edge opportunity to see the possibilities of virtual reality in our futures!

Yours sincerely

M Shah  
Assistant Head STEM

R Wood  
Digital Learning leader
