

## **HELP ESTABLISH A NEW SECONDARY SCHOOL FOR NORTH BRENT AND WEMBLEY!**

18<sup>th</sup> January 2016

Dear Colleague,

As you are aware, Brent secondary schools are developing a proposal to establish a new secondary school in the North Brent / Wembley part of the Borough. This is to provide the additional school places from 2018 that the Council requires as the larger primary cohorts reach secondary age.

As part of the application to the Department for Education we need to demonstrate that we have engaged with the local community and that there is parental demand for North Brent School to be established, in particular from the first two year groups who would join the school in September 2018 and September 2019 (the current Y4 and Y3).

We would be grateful if you would:

1. Distribute the attached leaflet electronically early next week (ideally 18<sup>th</sup> or 19<sup>th</sup> January 2016) to all parents asking them to show their support for the establishment of another high quality school for Brent families; and
2. Distribute hard copies of the leaflet to children in Years 3 and 4 – We will arrange for these to be delivered to you on 18<sup>th</sup> or 19<sup>th</sup> January 2016.

Thank you for your assistance in helping us try to secure sufficient school places for our community.

Kind Regards,

Terry Molloy (Headteacher, Claremont High School)

Mike Hulme (Headteacher, Queens Park Community School)

Gill Bal (Executive Headteacher, Wembley High Technology College)
